SUMMARY

I'm a Front-End developer looking for a permanent, stable job in a company with a good team and interesting tasks.

I know HTML, CSS, JavaScript. I have experience of working in a team. The main features of my character are development, practice and work for results. The peculiarity of my character is such that he does not allow me to stop there, but continues to constantly move forward, mastering new methods in work.

PROJECT EXPERIENCE

- **[Web Studio](#), [link](#) [HTML5, CSS3]**

Two-page site of medium complexity. Designed according to the online layout Figma editor. Used Mobile First technology, adaptive-responsive layout for all standard devices.

- **[Ice Cream](#), [link](#) [HTML, SASS, JS, Parcel]**
